Background Investigations Update for Polygraph; What background investigators like to see; what helps them & what hurts

**Sergeant Robert E Milla**

**Sergeant Earl D Kaundart**

Sergeant Earl D Kaundart

I became a Police Officer for Fresno PD on July 1, 1967. During the following years, I worked Patrol, Administrative Services, Detectives, and Narcotics. I was promoted to Sergeant in 1975 and supervised various units until my retirement in 1990. On my way out the door, I was asked if I would like to stay on and do background investigations. Now, 27 years later, I'm still in backgrounds, supervising the unit. I have 10 investigators and one polygraph examiner. I, along with Sergeant Robert Milla teach the Basic Background Course at Fresno City College and have been for 15 years. Last July 1 was my 50th anniversary with Fresno PD.

Sergeant Robert E Milla

I became a Police Officer for the Fresno Police Department on July 1, 1964. I worked Patrol, Administrative Services, Traffic Division as a motorcycle officer, and crime prevention. I was promoted to Sergeant in 1972 after which I was assigned as the Department's Public Information Officer (PIO) and supervised the Motorcycle Traffic Division. I spent the rest of my career as a Patrol Sergeant, retiring in 2003. Since my retirement I have spent the bulk of my time working as a background investigator for the Fresno Police Department and the Fresno County Probation Department. I have completed over 400 background investigations. I also assist Sergeant Earl Kaundart with the POST accredited Basic Background Course at Fresno City College.
